

Individual Project Contribution Report

1. Basic Information

Project Title:

Unfold Earth

Team Name:

Trio Explorers

Team Leader Name:

Divya

Student Name:

Devanshi

Roll Number:

2510997294

2. Individual Contribution

Pages/Components Worked On:

(List the specific pages, modules, or components you have worked on in the project.)

Volcano, Mountain, Waterfall, About Us, Booking, Art Gallery, Monuments, Top Recommendations, Travel Guide.

Features Developed:

(Mention the key features or functionalities that you have personally developed.)

- Developed informative pages on natural features like volcanoes, mountains, and waterfalls

(Describe your contribution to the design, layout, styling, or user interface of the project.)

- Designed clean and informative layouts
- Maintained visual consistency across sections
- Focused on readability and content clarity

(Testing, Debugging, etc.):

(Mention any additional contributions such as testing, debugging, optimization, or support tasks.)

- Contributed in content writing and research
- Assisted in testing and improving sections
- Helped in final adjustments of the project

3. Declaration:

I hereby declare that the work described under my individual contribution in this project report is solely done by me. I have honestly explained the tasks, features, and responsibilities handled by me during the development of this project. My contribution includes the work I personally designed, developed, implemented, and tested. I confirm that I have not claimed any work done by other team members as my own, and all contributions have been reported truthfully. The information provided regarding my role and work in this project is accurate to the best of my knowledge. I understand that any false claim or misrepresentation of my contribution may affect my evaluation.
