

Individual Project Contribution Report

1. Basic Information

Project Title:

Unfold Earth

Team Name:

Trio Explorers

Team Leader Name:

Divya

Student Name:

Gagan

Roll Number:

2510997309

2. Individual Contribution

Pages/Components Worked On:

(List the specific pages, modules, or components you have worked on in the project.)

America, Africa, Asia, Europe, Caribbean, Main Page, Maps, FAQs, Wellness & Relaxation.

Features Developed:

(Mention the key features or functionalities that you have personally developed.)

- Developed **continent-based pages** (America, Africa, Asia, Europe, Caribbean) with organized and informative content
- Designed the **Main Page (Landing Page)** to provide an overview of the website and easy navigation
- Created a **Maps section** to help users understand geographical locations and destinations
- Developed a **FAQs section** to address common user queries and improve usability
- Added a **Wellness & Relaxation section** focusing on travel comfort, leisure, and stress-free experiences
- Structured content in a way that allows users to explore destinations region-wise
- Ensured proper internal linking between continents and other sections

Unique Feature Developed:

(Mention the key features or functionalities that you have personally developed.)

- Organized the website into a **continent-wise exploration system**, making navigation simple and logical
- Developed an informative **FAQs feature** to enhance user support
- Created a **map-based understanding approach** for better visualization of destinations

Logic Functionality Implemented:

(Explain the core logic, algorithms, or functionality you implemented in the project.)

- Implemented structured navigation across multiple continent pages
- Categorized information based on regions for better clarity
- Linked all pages effectively for smooth browsing experience
- Ensured logical grouping of content for easy access

UI/Styling Contribution:

(Describe your contribution to the design, layout, styling, or user interface of the project.)

- Maintained **consistent layout and structure** across all continent pages
- Used simple, clean, and readable design elements
- Ensured proper spacing, alignment, and formatting
- Contributed to maintaining uniformity in the website design

(Testing, Debugging, etc.):

(Mention any additional contributions such as testing, debugging, optimization, or support tasks.)

- Assisted in collecting and organizing content
- Participated in testing and improving page structure
- Supported team coordination when required

3. Declaration:

I hereby declare that the work described under my individual contribution in this project report is solely done by me. I have honestly explained the tasks, features, and responsibilities handled by me during the development of this project. My contribution includes the work I personally designed, developed, implemented, and tested. I confirm that I have not claimed any work done by other team members as my own, and all contributions have been reported truthfully. The information provided regarding my role and work in this project is accurate to the best of my knowledge. I understand that any false claim or misrepresentation of my contribution may affect my evaluation.
